MAIN

CAST

					
? Ogawa's friend and classmate. Despite the fact that she's always with Ryoko, her name has not been revealed yet.	Ogawa Tokazoni A new transfer student who comes to claim the title of guardian of Iisaku High School. He's a former red hair and extremely large eye-sabred intimidator. His opponent: "Cello Jammer" "The Fighting Master".	Takenaka Yuuji A powerful fighter who has been known for his strength since middle school. He challenged Kikano-kun after the end of his subordinator period and lost. Since then, he has observed the role of his little brother.	Kato Ryoko A beautiful female Kibaku member who goes through Kikano-kun's appearance (and he has a pure, angelic heart). She is the only person he understands who he really is.	Kuroudo Seikichi Former guardian of Iisaku. Now calls himself "his 2". Although seen with his Kyo younger-looking, he has a gift for search, but his fighting ability. Holds a magically one-sided love for Ryoko.	Kikano Seichirou A boy with the face of a demon, but the heart of an angel. With this appearance, he became the guardian of Iisaku High School. Despite a number of unfortunate misunderstandings, he is currently enjoying his school life very much.

I've created a workspace recently. I no longer have the space in my house to bring any additional staff members. I originally intended for it to be a workspace only, but due to circumstances, I'm living there now as well. So it's now a workspace-cum-dwelling. That took lots of time and money, and I've come to realize that creating new space for one's life is a very thingy thing.
